

AIM Harvest Summary: Weeks of 7/11 and 7/18

3 person crew (2 divers)

Dive Leader: Nathan Shea

Week 9

7/11/11

Began by removing half a bag of plants from the northwest tip of the Narrows near the mouth of Fish Creek Bay. Removed $\frac{3}{4}$ of a bag from the "tongue" in Pork Bay. Removed 4 plants from the area near the tiny island south of Buck Island, I think it's called Picnic Rock.

7/12/11

Saginaw Bay- Removed 21 plants from the southern mouth of the bay (buoys 1161-1164), 230 plants from the south central part of the bay (buoys 1165-1174), 10 plants from the northeast end of the bay, 140 plants from the north central (buoys 1178-1180), and 25 plants from the north central cove of Saginaw Bay (buoys 1176,1177). Green Island- Removed 5 plants from the north central part of the island (buoy 1175), and 9 from the south central part of the island.

7/13/11

Fish Creek- Removed 120 plants from the Back Bay, primarily in the north central region, and 40 plants between Hickok's and the Route 30 bridge. Removed 45 plants from the Gilpin Bay rock pile, removed 50 plants from the Gas Dock Island, and 5 plants from the western edge of Eagle Island.

7/14/11

Buck Island- Removed 45 plants from the southeast cove, 120 plants from northeast cove, 105 from the northern section of the channel, 100 plants from the north end, 35 plants from the southwest, 15 plants from the south end, and 12 plants from the southeast. Removed 30 plants from South Gull Bay where Guy had placed 8 buoys.

Weekly plant count:

1.25 bags + 944 + 260 + 502 = 3.25 bags (81.25 lbs)

Week 10 (Halfway Point of the season)

7/18/11

Began by removing 9 plants from South Pelky Bay (buoys 1155-1157). Removed 25 plants from the western edge of Deer Island (buoy 1160). Removed 225 plants from Bungalow Bay (buoy 1107). Removed 75 plants from South Gull Bay, just east of Doctors Island (buoys 1104, 1105). Removed 50 plants from the southeast part of the Narrows (buoy 1194).

7/19/11

Removed 3 plants from Markham Point (buoy 1108). Removed 6 plants from the southwest corner of Green Bay (buoy 1183). Removed 110 plants from the shoreline directly across the lake from Little Square Bay (1109-1113). Removed 1.5 bags of milfoil from Little Square Bay, primarily from the tongue area (1184-1186).

7/20/11

Removed 1.75 bags of milfoil from Little Square Bay, totaling 3.25 bags from this area. Again this was primarily from the tongue in addition to 110 or so plants from the southwest shore (buoys 1187-1191). Removed 10 plants from around Goose Island, 8 from the eastern and 2 from the western ends. Removed about a dozen plants from Bungalow bay that we had missed earlier in the week (buoys 1114-1117).

7/21/11

Removed 0.5 bags of milfoil from the central area of South Basin. Removed 15 plants from the northeast section of Bartlett Carry. Removed 100 plants from North Gull Bay, we were forced to leave due to the high winds which made it impossible to line swim. Removed 85 plants from the southeast section of Big Square Bay.

Weekly plant count:

$384 + 329 + 3.5\text{bags} = 4.25 \text{ bags (106.25 lbs)}$
